TENDER NOTICE FOR SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF A CONSOLIDATED INTERNET VIRTUAL PRIVATE NETWORK/INTERNET PROTOCOL MULTIPROTOCOL LABEL SWITCHING CONNECTIVITY SYSTEM

KENYA MEDICAL TRAINING COLLEGE

ISO 9001:2015 certified institution

CERTIFICATION BODY: Kenya Bureau of Standards (KEBS).

TENDER NOTICE

Kenya Medical Training College invites eligible firms and contractors for proposed works/ services as described in the table below:-

S/NO	Tender No.	Tender Description	Tender Security Amount (Ksh)	Closing date	Targeted category
1.	KMTC/08/2022-2023	Supply, Installation, Testing and Commissioning of a Consolidated Internet Virtual Private Network/Internet protocol and Multiprotocol Label Switching Connectivity System.	800,000.00	16/11/2022	Open

Tender documents with full specifications can be obtained from the KMTC Headquarters, 1st Floor – Procurement Office, upon payment of non-refundable fee of Kenya Shillings one thousand (Kshs. 1,000/=) in bankers’ cheque for the above tenders. Cash is strictly not acceptable. All tenders can be viewed and downloaded from the website: www.KMTC.ac.ke or <http://tenders.go.ke> at no cost. Bidders who download documents from the website should register their Tenders at KMTC Headquarters, Procurement Office during normal working hours (08.00 am – 5.00 pm) from Monday to Friday.

Completed Tender documents, in plain sealed envelopes clearly marked with the relevant Tender number (s) and bearing no indications of the sender, must be submitted in the manner described in the Tender documents and addressed to:-

The Chief Executive Officer
Kenya Medical Training College
P O Box 30195-00100,
NAIROBI

and be deposited in the Tender Box situated at the Entrance of the KMTC Administration Block, Headquarters Nairobi, on or before 16th November, 2022 at 10.00am.

Prices quoted must be net (V.A.T Inclusive) expressed in Kenya Shillings and should remain valid for 120 days from the closing date of the Tender while the Security Bond shall remain valid for 150 days. Tender documents will be opened immediately thereafter in the presence of bidders or their representatives who choose to attend at the Principal’s Boardroom.

Quality health training towards realization of Vision 2030 **lenya** (KENYA VISION 2030)

b. Background

The Kenya Medical Training College (KMTC) is a State Corporation established under the KMTC Act, Cap 261, of the laws of Kenya, under the Ministry of Health. Founded in 1927, KMTC is the oldest and largest Medical Training and Research Institution in Kenya and within the East Africa region. The College comprises of its headquarters and **78** Campuses strategically located in various parts of the country.

In partnership and collaboration with donors and other stakeholders, KMTC has been implementing various learning management systems under different projects to scale up health worker training at the pre- and in-service levels through the use of ICT.

As part of its strategy for innovation, growth and as part of the ongoing Enterprise Resource Planning (ERP) rollout KMTC wishes to invite bids from qualified internet service providers to offer Internet Virtual Private Network connectivity designed to speed and shape traffic flows across the KMTC corporate Wide Area Network. Internet Virtual Private Network with centralized

internet connectivity designed towards scalable and adoptable designs whilst helping KMTC gain operational efficiencies, reduce both Total Cost of Ownership (TCO) and operational costs.

The service provider is expected to familiarize themselves with all the instructions, the scope of the assignment, terms of reference and specifications in this tender document. Failure to furnish all information required by the documents or to submit a bid not substantially responsive to the document in every respect will result in rejection or disqualification.

c. Objectives

The objective of the Wide Area Network and Local Area Networks included the following;

- a) **Functionality:** The network must work. That is, it must allow users to meet their job requirements. The network must provide user-to-user and user-to application connectivity with reasonable speed and reliability.
- b) **Integration and Update:** Currently there already in place are well installed, designed, managed and modern Local Area Networks at both KMTC HQ and KMTC Nairobi. There are other remote campuses LAN's that need to access the resources at KMTC HQ, however, many of those LAN's are using technologies that are incompatible with each other, much of the equipment used is out of date and they are not yet connected to a system-wide network. The Internet VPN will integrate and update these Local Area Networks to be able to be supportive, productive and enable collaboration across the system.
- c) **ICT Security:** The LAN's/WAN's need to be built with security as an area of high priority. This will provide secure administrative computing services to the main LAN at KMTC HQ/Nairobi and the other remote campuses. The design is logically and physically isolated from unauthorized persons.
- d) **ICT Authority recommended GOK standards:** To come up with LAN's/WAN's that conforms as much as possible to the ICT standards and guidelines developed by the ICT Authority which are actually based on or derived from acceptable and widely used international standards.

- e) **Versatile Information Processing and use:** The LAN's/WAN's will enable users to retrieve, process, and store ASCII and non-ASCII text, still graphics, audio, and video from any connected computer.
- f) **Collaborative Activities:** The LAN's/WAN's will optimize the features and capabilities of diverse equipment's to provide a collaborative medium that helps users combine their skills regardless of their physical locations. Such kind of a network environment will enable the KMTC community and other stakeholders to be able to share information and ideas easily so that they can be able to work more efficiently and productively. This objective is not limited to the Enterprise Resource Planning Systems only.
- g) **Scalability:** The LAN's/WAN's must be able to grow. That is, the initial design should grow without any major changes to the overall design.
- h) **IP Telephony:** The LAN's/WAN's designs are expected to converge and support IP Telephony and VOIP with managed switches capable of supporting POE, unicast and multicast after the necessary configuration which is largely to be software based. Traditional PABX systems will continue to play a substantial role during the entire period.
- i) **Adaptability:** This proposal seeks to describe LAN's/WAN's that are designed with an eye toward future technologies, it should include no element that would limit implementation of new technologies as they become available.
- j) **Manageability:** Finally, this proposal is seeking to describe LAN's/WAN's that are designed to facilitate network monitoring and management to ensure ongoing stability of operations.

SECTION II – INSTRUCTIONS TO TENDERERS

2.1 Eligible tenderers

2.1.1. This Invitation to tender is open to all tenderers eligible as described in the instructions to tenderers. Successful tenderers shall provide the services for the stipulated duration from the date of commencement (hereinafter referred to as the term) specified in the tender documents.

2.1.2. KMTC employees, committee members, board members and their relatives (spouse and children) are not eligible to participate in the tender unless where specially allowed under section 131 of the Act.

2.1.3. Tenderers shall provide the qualification information statement that the tenderer (including all members, of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by KMTC to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the services under this Invitation for tenders.

2.1.4. Tenderers involved in corrupt or fraudulent practices or debarred from participating in public procurement shall not be eligible.

2.2 Cost of tendering

2.2.1 The Tenderer shall bear all costs associated with the preparation and submission of its tender, and KMTC will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.

2.2.2 The price to be charged for the tender document shall be Kshs. 1,000/= or downloaded free of charge from **KMTC website** or **PPIP portal**.

2.3 Contents of tender documents

2.3.1. The tender document comprises of the documents listed below and addenda issued in accordance with clause 6 of these instructions to tenders

- i) Instructions to tenderers
- ii) General Conditions of Contract
- iii) Special Conditions of Contract
- iv) Schedule of Requirements
- v) Details of service
- vi) Form of tender
- vii) Contract form
- viii) Confidential business questionnaire form
- ix) Tender security form
- x) Performance security form
- xi) Declaration form

2.3.2. The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit

a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.4 Clarification of Documents

2.4.1. A prospective candidate making inquiries of the tender document may notify KMTC in writing or by post, fax or email at the entity's address indicated in the Invitation for tenders. KMTC will respond in writing to any request for clarification of the tender documents, which it receives no later than seven (7) days prior to the deadline for the submission of tenders, prescribed by KMTC. Written copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers who have received the tender documents"

2.4.2. KMTC shall reply to any clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.5 Amendment of documents

2.5.1. At any time prior to the deadline for submission of tenders, KMTC, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by issuing an addendum.

2.5.2. All prospective tenderers who have obtained the tender documents will be notified of the amendment by post, fax or email and such amendment will be binding on them.

2.5.3. In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, KMTC, at its discretion, may extend the deadline for the submission of tenders.

2.6 Language of tender

2.6.1. The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchanged by the tenderer and KMTC, shall be written in English language. Any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.7. Documents Comprising the Tender. The tender prepared by the tenderer shall comprise the following components:

- a. A Tender Form and a Price Schedule completed in accordance with paragraph 8, 9 and 10 below.
- b. Documentary evidence established in accordance with Clause 2.11 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted;
- d. Tender security furnished is in accordance with
Clause 2.12 d. confidential business
questionnaire e. Declaration form

2.8 Form of Tender

2.8.1 The tenderers shall complete the Form of Tender and the appropriate Price Schedule furnished in the tender documents, indicating the services to be performed.

2.9 Tender Prices

2.9.1 The tenderer shall indicate on the Price schedule the unit prices where applicable and total tender prices of the services it proposes to provide under the contract.

2.9.2 Prices indicated on the Price Schedule shall be the cost of the services quoted including all customs duties and VAT and other taxes payable:

2.9.3 Prices quoted by the tenderer shall remain fixed during the term of the contract unless otherwise agreed by the parties. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to paragraph 2.22.

2.9.4 Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

2.9.5 Price validity should be valid for 120 days of receiving the request.

2.10 Tender Currencies

2.10.1 Prices shall be quoted in Kenya Shillings unless otherwise specified in the appendix in the Instructions to Tenderers.

2.11. Tenderers Eligibility and Qualifications.

2.11.1 Pursuant to Clause 2, the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

2.11.2 The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall establish to KMTC satisfaction that the tenderer has the financial and technical capability necessary to perform the contract.

2.12 Tender Security

2.12.1 The tenderer shall furnish, as part of its tender, a tender security for the amount and form specified in the Invitation to tender.

2.12.2 The tender security shall be in the amount of **Kshs. 800,000.00** from a reputable financial institution.

2.12.2 The tender security/declaration form is required to protect KMTC against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to paragraph 2.12.7

2.12.3 The tender security shall be denominated in Kenya Shillings or in another freely convertible currency, and shall be in the form of a KMTC guarantee or a KMTC draft issued by a reputable KMTC located in Kenya, in the form provided in the tender documents or any other form

acceptable to KMTC and valid for one hundred and fifty (150) days beyond the validity date of the tender.

2.12.4 Any tender not secured in accordance with paragraph 2.12.1, 2.12.2 and 2.12.3 will be rejected by KMTC as non-responsive, pursuant to paragraph 2.20 2.12.5 Unsuccessful tenderer's security will be discharged or returned as promptly as possible as but not later than thirty (30) days after the expiration of the period of tender validity prescribed by KMTC.

2.12.6 The successful tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to paragraph 2.26, and furnishing the performance security, pursuant to paragraph 2.27.

2.12.7 The tender security may be forfeited:

(a) If a tenderer withdraws its tender during the period of tender validity specified by KMTC on the Tender Form;

or

(b) In the case of a successful tenderer, if the tenderer fails:

(i) to sign the contract in accordance with paragraph 2.26 or

(ii) to furnish performance security in accordance with paragraph 2.27.

(c) If the tenderer rejects, correction of an error in the tender.

2.13 Validity of Tenders

2.13.1 Tenders shall remain valid for 90 days after date of tender opening prescribed by KMTC, pursuant to paragraph 2.18. A tender valid for a shorter period shall be rejected by KMTC as non-responsive.

2.13.2 In exceptional circumstances, KMTC may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under paragraph 2.12 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

2.14 Format and Signing of Tender

2.14.1 The tenderer shall prepare „two copies each“ of the „technical proposal“ and „financial proposal“, properly bound and clearly marking each **“ORIGINAL FINANCIAL PROPOSAL”**, **“ORIGINAL TECHNICAL PROPOSAL”** and **“COPY OF FINANCIAL PROPOSAL AND COPY OF TECHNICAL PROPOSAL,”** as appropriate. In the event of any discrepancy between them, the original shall govern.

2.14.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing the tender.

2.14.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.15 Sealing and Marking of Tenders

2.15.1 The tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as “**ORIGINAL** “and” **COPY**. “The envelopes shall then be sealed in an outer envelope.

2.15.2 The inner and outer envelopes shall:

(a) Be addressed to KMTC at the address given in the invitation to tender

(b) Bear, Tender No. **KMTC/08/2022-2023**– Tender for supply, installation, testing and commission of Internet connectivity system for Headquarters and Seventy Eight (78) KMTC campuses: “**DO NOT OPEN BEFORE 16th NOVEMBER, 2022 at 10. 00a.m local time.**”

2.15.3 The inner envelopes only shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late” and also to enable the financial proposals to be returned unopened where the tenderer does not qualify for financial evaluation after technical evaluation.

2.15.4 If the outer envelope is not sealed and marked as required by paragraph 2.15.2, KMTC will assume no responsibility for the tender’s misplacement or premature opening.

2.16 Deadline for Submission of Tenders

2.16.1 Tenders must be received by KMTC at the address specified under paragraph 2.15.2 no later than **16th November, 2022 at 10. 00a.m local time.**”

2.16.2 KMTC may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 6, in which case all rights and obligations of KMTC and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

2.16.3 Bulky tenders which will not fit in the tender box shall be received by KMTC as provided for in the appendix.

2.17 Modification and withdrawal of tenders

2.17.1 The tenderer may modify or withdraw its tender after the tender’s submission, provided that written notice of the modification, including substitution or withdrawal of the tender’s is received by KMTC prior to the deadline prescribed for the submission of tenders.

2.17.2 The Tenderer’s modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 2.15. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked no later than the deadline for submission of tenders.

2.17.3 No tender may be modified after the deadline for submission of tenders.

2.17.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form.

Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to paragraph 2.12.7.

2.17.5 KMTC may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.17.6 KMTC shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.18 Opening of Tenders

2.18.1 KMTC will open all tenders in the presence of tenderers' representatives who choose to attend after **16th November 2022 at 10. 00a.m** local time." and in the location specified in the invitation to tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.

2.18.2 The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and the presence or absence of requisite tender security and such other details as KMTC, at its discretion, may consider appropriate, will be announced at the opening.

2.18.3 KMTC will prepare minutes of the tender opening which will be submitted to the tenderers that signed the tender opening register and who will have made the request.

2.19 Clarification of tenders

2.19.1 To assist in the examination, evaluation and comparison of tenders KMTC may at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance shall be sought, offered, or permitted.

2.19.2 Any effort by the tenderer to influence KMTC in tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers tender.

2.20 Preliminary Examination and Responsiveness

2.20.1 KMTC will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required securities have been furnished whether the documents have been properly signed, and whether the tenders are generally in order.

2.20.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

2.20.3 KMTC may waive any minor informality or nonconformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

2.20.4 Prior to the detailed evaluation, pursuant to paragraph 2.22, KMTC will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. KMTC determination of a tender's

responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.20.5 If a tender is not substantially responsive, it will be rejected by KMTC and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

2.21 Conversion to a single currency

2.21.1 Where other currencies are used, KMTC will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the Kenya Medical Training College KMTC of Kenya.

2.22 Evaluation and comparison of tenders.

2.22.1 KMTC will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to Evaluation Criteria spelt out in the tender documents in the Special Conditions of Contract.

2.22.2 The comparison shall be of the price including all costs as well as duties and taxes payable on all the materials to be used in the provision of the services.

2.22.3 KMTC evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in paragraph 2.22.4 and in the technical specifications:

- (a) Operational plan proposed in the tender;
- (b) Deviations in payment schedule from that specified in the Special Conditions of Contract;

2.22.4 Pursuant to paragraph 2.22.3 the following evaluation methods will be applied:

(a) Operational Plan.

KMTC requires that the services under the Invitation for Tenders shall be performed at the time specified in the Schedule of Requirements. Tenders offering to perform longer than KMTC's required delivery time will be treated as non-responsive and rejected.

(b) Deviation in payment schedule.

Tenderers shall state their tender price for the payment on a schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. KMTC may consider the alternative payment schedule offered by the selected tenderer.

2.22.5 The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

2.22.6 To qualify for contract awards, the tenderer shall have the following: -

(a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.

(b) Legal capacity to enter into a contract for procurement

(c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.

(d) Shall not be debarred from participating in public procurement.

2.23. Contacting KMTC

2.23.1 Subject to paragraph 2.19, no tenderer shall contact KMTC on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

2.23.2 Any effort by a tenderer to influence KMTC in its decisions on tender evaluation tender comparison or contract award may result in the rejection of the tenderers tender.

2.24 Award of Contract

a) Post qualification

2.24.1 KMTC will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.24.2 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.1, as well as such other information as KMTC deems necessary and appropriate.

2.24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event KMTC will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

b) Award Criteria

2.24.3 Subject to paragraph 2.26 KMTC will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

2.24.4 KMTC reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for KMTC's action. If KMTC determines that none of the tenderers is responsive; KMTC shall notify each tenderer who submitted a tender.

2.24.5A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.25 Notification of award

2.25.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify both successful and unsuccessful tenderers in writing.

2.25.2 The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and KMTC pursuant to clause 2.26. Simultaneously the other tenderers shall be notified that their tenders have not been successful.

2.25.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.27, KMTC will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.12

2.26 Signing of Contract

2.26.1 At the same time as KMTC notifies the successful tenderer that its tender has been accepted, KMTC will simultaneously inform the other tenderers that their tenders have not been successful.

2.26.2 After expiry (14) days of receipt of the letter of offer Form, the successful tenderer shall sign and date the contract and return it to KMTC.

2.26.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.27 Performance Security

2.27.1 Before signing of contract, the successful tenderer shall furnish the KMTC with performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to KMTC.

2.27.2 Failure of the successful tenderer to comply with the requirement of paragraph 2.26 or paragraph 2.27 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event KMTC may make the award to the next lowest evaluated or call for new tenders.

2.28 Corrupt or Fraudulent Practices

2.28.1 KMTC requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.28.2 KMTC will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

2.28.3 Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

APPENDIX TO INSTRUCTIONS TO TENDERERS

The following information for the **SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF A CONSOLIDATED INTERNET VIRTUAL PRIVATE NETWORK/INTERNET PROTOCOL AND MULTIPROTOCOL LABEL SWITCHING CONNECTIVITY SYSTEM**

Tenders for Headquarters and seventy Eight (78) Campuses shall complement, supplement, or amend, the provisions on the instructions to tenderers. Wherever there is a conflict between the provisions of the instructions to tenderers and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to tenderers

1. APPENDIX TO INSTRUCTIONS TO THE TENDERERS

The following information for procurement of services shall complement or amend the provisions of the instructions to tenderers.

Wherever there is a conflict between the provisions of the instructions to tenderers and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to tenderers to Particulars of appendix to Instructions to Tenderers.

Instructions tenderers	Particulars of appendix to Instructions to Tenderers
2.1.1	(i). Eligible Tenderers shall be firms that are dealing in Provision of Internet connectivity and licensed by CAK
2.2.2	The price to be charged for hard copy tender document shall be Kshs.1,000.00 and free for downloading from the KMTC website or PPIP website .
2.4.1	Clarification may be sought 7 days before deadline for submission of tenders.
2.7	The tender prepared by the tenderer shall comprise in addition to documents specified under clause 2.7 all other documents described in clause 2.3.1 of this tender document and any other document required in determining qualification of the tenderer
2.9.2	Price quoted shall be net inclusive of VAT(16%) and all other taxes payable
2.10	Prices shall be quoted in Kenya Shillings
2.11.1	Proof of eligibility and qualifications documents of evidence required (See qualification criteria below).
2.12.2	Tenders must be accompanied by a Tender Security of Kshs. 800,000.00 , valid for 150 days
2.13.1	The validity period of the Tender shall be 90 days from the closing date of Tenders and price validity of 120 days.
2.13.1	Bidders to submit one original and one copy for both technical and financial proposals
1.16.1	Closing date of the Tender shall be 16th November,2022 at 10:00 am

2.27

Within thirty (30) days of the receipt of notification of award from the Procuring entity,
the successful tenderer shall furnish the performance security equal to 10% of the contract amount valid for the period of the contract

SECTION III – GENERAL CONDITIONS OF

CONTRACT 3.1 Definitions

In this contract the following terms shall be interpreted as indicated:

a) “The contract” means the agreement entered into between KMTC and the tenderer as recorded in the Contract

Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

b) “The Contract Price” means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations.

c) “The services” means services to be provided by the contractor including materials and incidentals which the tenderer is required to provide to KMTC under the Contract.

d) “The Procuring entity” means KMTC, the organization sourcing for the services under this Contract.

e) “The contractor” means the individual or firm providing the services under this Contract.

f) “GCC” means general conditions of contract contained in this section

g) “SCC” means the special conditions of contract

h) “Day” means calendar day

3.2 Application

These General Conditions shall apply to the extent that they are not superseded by provisions of other part of contract.

3.3 Standards

3.3.1 The services provided under this Contract shall conform to the standards mentioned in the Schedule of requirements

3.5 Patent Right’s

The tenderer shall indemnify KMTC against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the services under the contract or any part thereof.

3.6 Performance Security

Before signing of the contract, the successful tenderer shall furnish to KMTC with the performance security of 10% of the contract sum before signing of contract.

3.6.2 The proceeds of the performance security shall be payable to KMTC as compensation for any loss resulting from the Tenderer’s failure to complete its obligations under the Contract.

3.6.3 The performance security shall be denominated in the currency of the Contract or in a freely convertible currency acceptable to KMTC and shall be in the form of:

a) A Bank guarantee only.

3.6.4 The performance security will be discharged by KMTC and returned to the candidate not later than thirty

(30) days following the date of completion of the tenderer's performance of obligations under the contract, including any warranty obligations under the contract.

3.7 Inspections and Tests

3.7.1 KMTC or its representative shall have the right to inspect and/or to test the goods, works and services to confirm their conformity to the Contract specifications. KMTC shall notify the tenderer in writing, in a timely manner, of the identity of any representatives retained for these purposes.

3.7.2 Should any inspected or tested goods, works or services fail to conform to the Specifications, KMTC may reject the services, and the tenderer shall either replace the rejected services or make alterations necessary to meet specification requirements free of cost to KMTC.

3.7.3 Nothing in paragraph 3.7 shall in any way release the tenderer from any warranty or other obligations under this Contract.

3.8 Payment

3.8.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in Special Conditions of Contract.

3.9 Prices

Prices charged by the contractor for goods, works or services performed under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the tenderer in its tender or in KMTC request for tender validity extension as the case may be. No variation in or modification to the terms of the contract shall be made except by written amendment signed by the parties.

3.10 Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with KMTC's prior written consent.

3.11 Termination for Default

KMTC may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- a) If the tenderer fails to provide any or all of the goods and services within the period(s) specified in the Contract, or within any extension thereof granted by KMTC.
- b) If the tenderer fails to perform any other obligation(s) under the Contract.
- c) If the tenderer, in the judgment of KMTC has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event KMTC terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, goods, works and services similar to those undelivered, and the tenderer shall be liable to KMTC for any excess costs for such similar services.

3.12 Termination of insolvency

KMTC may at the anytime terminate the contract by giving written notice to the contractor if the contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the contractor, provided that such termination will not produce or affect any right of action or remedy, which has accrued or will accrue thereafter to KMTC

3.13 Termination for convenience

3.13.1 KMTC by written notice sent to the contractor may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for KMTC convenience, the extent to which performance of the contractor of the contract is terminated and the date on which such termination becomes effective. 3.13.2 For the remaining part of the contract after termination KMTC may elect to cancel the services and pay to the contractor on agreed amount for partially completed services.

3.14 Resolution of disputes

KMTC and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.15 Governing Language

The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.16 Force Majeure

The contractor shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.17 Applicable Law.

The contract shall be interpreted in accordance with the laws of Kenya unless otherwise specified in the SCC

3.18 Notices

Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or E-mail and confirmed in writing to the other party's address specified in the SCC

A notice shall be effective when delivered or on the notices effective date, whichever is later.

SECTION IV – SPECIAL CONDITIONS OF CONTRACT

Technical Specifications and Terms of Reference for the supply, installation, testing and commissioning of a Consolidated Internet Virtual Private Network/Internet Protocol Multiprotocol Label Switching Connectivity system

Scope of Work

The tables in the following pages summarizes the Scope of Work for the Setup of KMTC Internet Virtual Private Network.

KMTC HQ/Nairobi Campus WAN Project Non-Recurrent Costs Requirements and Deliverables				
1. Internet Services				
Description	Item Details	Current Available	Required	Remarks
Internet/WAN Routers.	Campus Entrance router for routing to and from LAN and Internet/WAN.	Cisco 2800 Series with several expansion slots and Two Fast Ethernet ports.	Cisco 2800 Series with several expansion slots and Two Fast Ethernet ports.	Cisco 2800 router to serve as the WAN MPLS router after the necessary configurations have taken place. ICT to provide new IP addressing Scheme for LAN and WAN Interfaces. The Cisco 2800 Series was provided. Currently located at the Main Server Farm located at the JICA Complex. Any necessary configuration on the router to be performed by the ISP. KMTC will perform configurations for the Active Devices (LAN Switches - Layer 2 and 3).
Equipment Rack (Service Providers)	Service providers KMTC HQ/Nairobi MDF/POP for housing all the CPE's both active and non-active.	15 HU Wall Mount Equipment Rack.	15 HU Wall Mount Equipment Rack. Equipment rack MUST be earthed/grounded.	This is amongst the CPE's provided, delivered and fitted by the provider. Already available on site and currently mounted at the Main Server Farm which is the location of the KMTC HQ/Nairobi Campus MDF and POP. Provider's property.

Equipment Rack (KMTC)	MDF for housing all LAN active and non-active equipment.	42 HU Wall Free Standing Equipment Rack.	Already available complete with fans, PDU's, locks and of good quality. Equipment rack MUST be earthed/grounded.	Currently houses all the LAN/WAN/Internet active and Non-active equipment with the exception of the entrance switch. Outside providers Scope of Work.
Entrance Switch	Campus Entrance Switch for switching to and from LAN and Internet/WAN.	Alcatel Managed Switch.	Provider is free to use any model available at their discretion.	To delivered, installed and fitted at the 15HU Rack. This is part of CPE's provided and managed by the provider. Purpose is to aggregate connectivity from the external network to the enterprise network. It's a property belonging to the service providers. To be configured once delivered.
Indoor and Outdoor Units	Broadband Internet Wireless Equipment.	Outdoor units.	Provider is free to use any model available at their discretion. Outdoor unit to be mounted at a clear line of site to providers nearest hub station to achieve maximum round trip latency of 100ms.	Already on site and not in use. These are part of CPE to be provided and managed by the provider. Remains service providers property.
Media Technology	Last Mile Media for Internet/WAN Connectivity.	Fiber Cable.	Fiber for the Main Link.	Already on site and currently being used actively by KMTC HQ/Nairobi Internet Service provider.

Internet Connectivity	Internet Connectivity for KMTC Main Campus and Satellite Campuses.	Same as description.	Connectivity at speeds of 180Mbps dedicated up and down.	Establishment of an internet connection at KMTC main campus and the satellite campuses. The connection shall be terminated at the KMTC main campus router & firewall.
Capacity.	Same as item.	Same as item.	Connectivity at speeds of 180Mbps dedicated up and down.	The internet connection should be a dedicated connection of at least 180Mbps/180 Mbps dedicated up/downlink to KMTC main campus, and at least 10Mbps/10Mbps up/downlink MPLS Wide Area Network (WAN) connection to the Nairobi Campus.
IP Addressing.	Internet and Private IP Addressing Scheme.	Same as description.	Provide public IP addresses (IPv4 and IPv6 IP addresses, a subnet block of /24 Public IPs for the router and servers. This should be provided for KMTC main campus and all the satellite campuses.	Provide public IP addresses (IPv4 and IPv6 IP addresses, a subnet block of /24 Public IPs for the router and servers. This should be provided for KMTC main campus and all the satellite campuses.
Monitoring Tool.	Cacti and Nagios.	Same as description.	Same as description.	The service provider should configure a network Management/monitoring tool for KMTC to monitor internet bandwidth utilization and link performance at the main campus and all the satellite campuses;

Configuration of Routers.	Provision and configuration of WAN routers.	Same as description.	Same as description.	The service provider shall avail routers for all the KMTCs and a firewall for the main campus.
Routing Protocol.	BGP routing protocol for MPLS.	Same as description.	Same as description.	The Supplier will implement BGP routing protocol for the MPLS network Implemented for ease of management.
Eduroam.	Integration to the Education roaming network	Same as description.	Same as description.	Wi-Fi coverage extension and setting up of Eduroam, the secure global roaming Wi-Fi service for academic institutions, as well as implementation of automatic on-boarding of users.
Cyber Security and Incident Response.	Protection of the member network.	Same as description.	Same as description.	Protect the Member's network against external network threats and cybercrime within reasonable limits.
Support.	Provide support as need arises.	Same as description.	Same as description.	Provide on call support with regards to network and related issues.
Hosting Services	Provide hosting services and mirroring to KMTC three sites as need arises.	Same as description.	Same as description.	Provide hosting services for KMTC website and sub-sites.
Backup	Provide backup services to KMTC critical services.	Same as description.	Same as description.	Provide virtual servers and offsite back-up space for KMTC on request.

Other	Cabling works installations to enable integration with to the available LAN.	Complete.	All cabling work and network installations MUST be structured and conform to acceptable international Standards.	All the CPE's to be fitted at the 15 HU Wall Mount Equipment Rack (Service Providers). UTP Cable to be routed to the KMTC provided (Available Equipment Rack). All the Cabling System installations to be guided by the ICT Authority Standards which are based and derived from acceptable international standards.
2. WAN (Wide Area Network)				
Description	Item Details	Current Available	Required	Remarks
WAN	Provision of Wide Area Network Services for KMTC Satellite Campuses.	IP VPN Wide Area Network linking KMTC Satellite Campuses.	Provision of Wide Area Network Services for KMTC Satellite Campuses. (78 in number)	Establishment of a Wide Area Network (WAN) from KMTC main campus to all the satellite campuses via MPLS network with a minimum connection of 10Mbps/10Mbps
Notes:	Installers Scope of Work is Limited to the above. Installer to continuously report and update ICT during the above project. Project is to be verified, tested and inspected before final handover and Commissioning. Entrance routers are to be fitted at the KMTC provided equipment racks.			
Disclaimer:	This Scope of Work may be modified before or during the work progress to accommodate any new development. Non-Recurrent installation refers to initial setup of necessary hardware and testing of point to point connections to the HQ/Nairobi WAN router.			

FINANCIAL REQUIREMENTS

The Financial quotes should indicate:

- i). One off cost (installation costs where applicable)
- ii). Recurrent Monthly charges.
- iii). Prices quoted must be VAT inclusive.
- iv). Prices must be quoted in Kenya Shillings

PRICE SCHEDULE FOR SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF CONSOLIDATED INTERNET VIRTUAL PRIVATE NETWORK/IP MPLS CONNECTIVITY SYSTEM

KMTC Connection Requirements for the Headquarters and all the 78 Campuses					
No.	KMTC Campuses	Capacity in Mb/s	Medium of Connection	Non-Recurrent (one off) Cost (KShs)	Recurrent Monthly Cost (KShs)

	TOTAL	2055			
<i>Disclaimer:</i> The capacity requirements may be scaled up or down before or during the work progress to accommodate any new development.					

1. In addition to the above, interested bidders are required to demonstrate competence and describe how they will meet the following requirements as required by the client:
2. Internet Connectivity: Establishment of an internet connection at the Headquarters. The connection shall be terminated at the HQ router.
3. The internet connection should be a dedicated connection of at least 180 Mbps/ 180 Mbps dedicated up/downlink to HQ main campus, and at least 10Mbps/10Mbps up/downlink connection for all the 78 Campuses.
4. Medium: The primary internet connection to HQ should be via fiber optic link with redundant paths;
5. Should provide for burst periods during off-peak hours (evenings and weekend) at no extra cost.
6. IP Addressing: Provide public IP addresses (IPv4 and IPv6 IP addresses, a subnet block of /24 Public IPs for the router and servers. This should be provided for each of the KMTC campuses.
7. Latency: Expected average latency should be less than 200ms to the Internet, 4ms between HQ router and the service provider's core router and less than 50ms between HQ router and campus routers.
8. Monitoring Tools: The service provider should configure a network Management/monitoring tool for KMTC to monitor internet bandwidth utilization and link performance at the main campus and the 78 campuses offices;
9. Configuration of Routers: The service provider shall avail routers for the HQ and campus offices
10. Routing Protocols: The Supplier will implement BGP routing protocol for the MPLS network Implemented for ease of management.

11. Eduroam: Wi-Fi coverage extension and setting up of **Eduroam**, the secure global roaming Wi-Fi service for academic institutions, as well as implementation of automatic on-boarding of users.
12. Cyber Security and Incident Response: Protect the Network against external network threats and cyber-crime within reasonable limits.
13. Provide dedicated on-call support with regards to network and related issues.
14. Provide hosting services for website and sub-sites.
15. Provide Virtual Servers and off-site backup and disaster recovery solutions for KMTC.
16. Provide a web-conferencing platform access for teaching and learning based and conduct training to faculty.
17. Provide Capacity development/Training to the client technical and academic staff on Campus Networks, Bandwith Monitoring Optimization, Cybersecurity.
18. Provide online virtual labs for training and testing purposes
19. Provide direct engineering services and campus advisory services for the KMTC campuses.
20. Provide support hosting and support for the KMTC LMS.
21. Access to National Optic Fibre Backbone (NOFBI)

WAN (Wide Area Network).

1. Establishment of a Wide Area Network (WAN) from HQ to the campuses via the Service Provider backbone (Using MPLS or any relevant technology at the service provider core) Network us network with a minimum connection of 1Mbps/1Mbps.
2. VPN (virtual private Network) set up between HQ and all the KMTC campuses.
3. Site-to-Site IPSEC VPN connectivity as requested by KMTC to banks.

e. Qualifications and Experience of Key Personnel

Documentary evidence of the relevant technical certifications of the proposed personnel for execution and oversight of the contract must be provided. Key personnel must demonstrate the under listed requirements:

- a. Expert and Professional Network certifications - CCIE level or equivalent is mandatory. Proof of this is required with the tender submission.

- b. Demonstrated experience with similar projects by nature & magnitude
- c. Experience with network security
- d. Network administration & management
- e. Experience with network optimization and security
- f. Demonstrated experience with IP routing, IP QOS, BGP and MPLS

f. Evaluation Criteria

The following Evaluation criteria shall be applied notwithstanding any other requirement in the tender document.

(a) Mandatory Requirements

The following requirements MUST be met by the tenderer

No	Requirements	YES/NO
1	Copy of Certificate of Registration / Incorporation	
2	Copy of PIN / VAT Certificate	
3	Information Communication Technology Authority Accreditation for internet services and network security	
4	Certified Audited Financial Statements for the last two years (2020 and 2021)	
5	Valid Tax Compliance Certificate	
6	Communications Authority of Kenya valid current and license of being internet provider	
7	Duly Filled Confidential Business Questionnaire	
8	Bidders must serialize all pages for each bid submitted	
9	Duly filled form of tender in the format provided	
10	Work/Service program/plan schedule	

Note: For any bidder to proceed to the next stage of evaluation, all the above mandatory requirements must be met.

(b) Technical evaluation criteria

This section will be marked out of 100 and will determine the technical score.

No	Requirements	% Maximum	% Awarded
1	At least five (5) years in the business of similar nature.	5	
2	The vendor must have centralized trouble ticketing tool for call logging, monitoring and troubleshooting purpose and the same should be accessed through a local toll-free number.	5	
3	Letters of recommendation from: 3 major clients. The Tenderer should have at least 3 contracts similar in scope, size and nature as those required in this call for	5	

	tenders performed in the past three (3) years, describing the subjects, the amounts, the dates, the percentage performed by the tenderer, and the contracting authorities.		
4	Company profile including management team and board of directors indicating the nature of business.	5	
5	Evidence of physical address and premises.	1	
6	The Vendor should be able to provide online usage report through web.	5	
7	A brief description about technical/administrative support team and complaint redress mechanism should be given.	5	
8	The vendor should have a fully functional Customer Service Centre in Nairobi which is operational 24 Hours.	2	
9	A clear organizational escalation matrix should be given.	5	
10	Bandwidth availability of the link to be established (should have minimum bandwidth of at least 110Mbps/110 Mbps uplink and downlink available at the Main campus and 10 Mbps/10 Mbps uplink and downlink at the satellite campuses;	5	
11	The vendor should provide a detailed presentation of the proposed connection model for internet and WAN connections	15	
12	Vendor should provide a Service Level Agreement, offering and guaranteeing minimum quality of service at 99.5 % of uptime availability.	5	
13	The ISP should have a team to implement /be in charge for the implementation of the contract that has the relevant contract profiles, knowledge and experience for the successful implementation of the contract	5	
14	Evidence of tenderer's support for Big blue Button E-learning platform for at least 5 clients	10	
15	Vendor should be able to provide Eduroam network (secure world-wide roaming service)	7	
16	Vendor should be in a position to provide Community Cloud Services including web hosting, Backup storage, Virtual labs etc.	5	
17	Evidence of proposed security infrastructure protection from cyber threats	5	
18	Evidence of capacity development/training offered by the ISP to its Clients Technical staff.	5	
	TOTAL	100%	

The responsive proposal with the highest score determined by the KMTC by combining, for each proposal, in accordance with the procedures and criteria set out in the request for proposals, the scores assigned to the technical and financial proposals, shall be recommended.

The total bidders score shall be converted to 80%. $(X/100 \times 80)$ where X is the total bidders score.

Only bidders who score 70 marks out of 80marks shall be considered for further evaluation. Failure to score 70 marks shall lead to disqualification.

FINANCIAL EVALUATION

The Tenderers who qualify under Technical Evaluation will have their Financial Bid evaluated and the lowest responsive bid submitted after analysis shall have their tender considered for award.

Financial Score = Lowest Responsive Bidder / Bidder Price (under consideration) X 20

Combined scores

Total Combined Score = Technical score + Financial Score.

RECOMMENDATION FOR AWARD

The bidder with the highest total combined score shall be recommended for award

Note: The following documents or information must be presented by the vendor to prove technical and professional capacity to perform the proposed contract:

- A document stating the vendor's links to major ISPs outside Kenya
- A certified true photocopy of the valid CA License;
- CVs of the Sales, Network, and Financial experts who will be in charge for the contract implementation.

The vendor shall maintain the level of qualifications required for these three functions throughout the duration of the contract, through appropriate replacements if necessary.

Time schedule and terms: The assignment is to be undertaken within a period not exceeding one (1) month from the date of contract/tender award.

The vendor will provide Internet Bandwidth to the campuses inclusive of its last mile Access Network to Nairobi Campus.

Service Level Agreement: Vendors must submit a proposed Service Level Agreement (SLA) as part of their response. The college will consider agreements ranging from two (2) to three (3) years in length.

The proposed SLA will include a description of the Internet and related services provided, and where applicable, how these services will be measured. At a minimum, the SLA should describe

how the vendor will ensure 99.5% circuit availability (uptime) and related commitments for frame/packet loss, network latency and jitter.

Additionally, the SLA should describe 24x7x365 trouble-reporting procedures, time to repair outage commitments, and provisions offered in the event of chronic trouble. The services described in the SLA shall be maintained to the specifications of these commitments throughout the term of the contract, and the selected vendor shall remediate any deficiencies at no cost to the College.

g. Call for Proposals and Template

Firms are invited to submit bid proposals conforming to the below format. Proposals should be submitted within two separate envelopes well marked as 1. **Technical Proposal** and 2. **Financial Proposal**.

Address Proposals to:

The Chief Executive Officer
Kenya Medical Training College
Off Ngong Road
P.O. Box 30195 – 00100,
NAIROBI.

Other Requirements

1. KMTC will expect the highest quality of services. Therefore, services below the expected standards will not be accepted.
2. The Tenderer shall include all preliminaries e.g. insurance, security etc where applicable in the priced items. A separate claim for preliminaries will not be honored.
3. Payment for the services will be made upon certified completion. No claim for advance payment will be allowed.
4. The service provider will be required to maintain a high standard of cleanliness and housekeeping at the site.
5. Security of the KMTC and contractor's property within the area of work will be the responsibility of the service provider.
6. Working hours shall be Monday to Friday from 8.00am to 5.00pm except Public Holidays. Working outside these hours will be allowed only with the express authority of the Chief Executive Officer.
7. The sites for the works are inside quiet office Buildings. The successful Tenderer will at all times make sure that the client's operations and those users of the premises are NOT subjected to undue inconvenience throughout the entire contract period.

8. Penalty for non-performance

In the event of non-performance of the service provider, the KMTC will give the service provider a one-month notice giving details of the shortcomings that the service provider is expected to

rectify. If the service provider fails to show improvement in his/her performance during the one-month notice, then the KMTC will terminate the contract and call up the KMTC Guarantee provided by the service provider.

4.1 Special Conditions of Contract (SCC) shall supplement the General Conditions of Contract, (GCC), wherever there is a conflict between the GCC and the SCC, the provisions of the SCC herein shall prevail over those in the GCC.

4.1.1 Conditions for award: -A tenderer shall be deemed to be the winning bidder if it emerged to be the lowest evaluated bidder.

4.1.2 Bidders shall be required to fill a delivery date schedule for the execution of the contract.

N/S	ITEM DESCRIPTION	PROPOSED DELIVERY DATE
1		
2		
3		
4		
5		

4.1.3 Delays in delivery and implementation of the mentioned services beyond the proposed delivery date or within the specified period in the contract, the procuring entity shall without prejudice to its other remedies under the contract, deduct from the contract prices liquidated damages sum equivalent to a minimum of 2% of the delivery price of the delayed goods/services up to a maximum deduction of 10% of the delayed goods. After this the supplier may consider termination of the contract.

4.1.4 Bidders shall be required to indicate their total bid price (inclusive of all duties and taxes) in the Form of Tender. **The form of tender shall ONLY be binding if it is duly filled, signed and stamped, otherwise it shall be rejected.**

4.1.5 The final bid price contained in the Form of Tender shall be inclusive of all costs, duties and taxes associated with the Supply, Installation and Commissioning of the proposed software, user training and project team costs and associated system and maintenance support for the software.

4.1.6 The **successful bidder shall provide details, CVs and Certificates of the proposed project personnel and technical support team and 24-hour contact persons responsible for the Kenya Medical Training College.**

4.1.7 The successful bidder shall provide 24-hour technical support to the various users and propose a project team from KMTC for the entire project.

4.1.8 A detailed breakdown of all costs of the proposed KMTC Microsoft IT Academy shall be provided. Payment shall be made after the performance of the contract which shall include Supply, Delivery, Installation and Commissioning of a consolidated internet virtual private network/IP MPLS Connectivity Information System.

4.1.9 Payments shall be made after fulfilling the contractual obligations have been performed satisfactorily.

4.1.10 Prices charged by the supplier for the project performed under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the supplier in its bid.

4.1.11 **Subcontracts:** the supplier shall notify the Procuring entity in writing of all subcontracts awarded under this Contract if not already specified in the Tender. Such notification, in the original Tender or later, shall not relieve the supplier from any liability or obligation under the Contract.

4.1.12 Termination for Default

The Procuring entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the supplier, terminate this Contract in whole or in part:

- (a) If the supplier fails to provide services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring entity.
- (b) if the supplier fails to perform any other obligation(s) under the Contract
- (c) If the supplier, in the judgment of the Procuring entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event the Procuring entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, Goods similar to those undelivered, and the supplier shall be liable to the Procuring entity for any excess costs for such similar Goods.

4.1.13 Bidders shall be required to declare that they are not debarred from participating in public procurement by signing the form of statement of debarment in the tender documents.

4.2 Tendering Notes

4.2.1 The Tenderer is required to check the number of pages and should any is found to be missing or in duplicate or the figure or writing indistinct, they must inform The Authority at once and have the same rectified.

4.2.2 Should the Tenderer be in doubt about the prices, meaning of any item, word or figure for any reason whatsoever or observe any apparent omission of words or figures, they must inform The Authority in order that the correct meaning may be decided upon before the date for submission of the tender.

4.2.3 No liability whatsoever will be admitted nor is claim allowed in respect of errors in the tenderer's tender due to mistakes which should have been rectified in the manner described above.

4.2.4 The Tenderer shall not alter or otherwise qualify the Text of this Tender Document. Any alteration or qualification made without authority will be ignored and the text of the Tender Document as printed will be adhered to.

SECTION V – SCHEDULE OF REQUIREMENTS AND PRICE SCHEDULE

Due to high demands of bandwidth and need to harmonize our intranet, Kenya Medical Training College (KMTC) wishes to establish a seamless internet/intranet/extranet service plan in the Headquarters and its Seventy eight campuses across the country.

This will allow seamless sharing of data and application among the campuses with a strategic aim of adding more campuses to this network. The network shall be fiber-based having:

P2MP (point to Multi-point) link among the Headquarters and the campuses

Direct internet link to every branch with a bandwidth as specified

Supply and Install access point of at least 100metres range as per the site survey

The Network MUST be secure, reliable, efficient and affordable KMTC

Campuses.

Optional Site Survey by the potential Internet service provider (ISP) to assess the existing network prior to Quotation Installation and configuration of direct internet, if additional equipment is required, indicate all the equipment to be supplied as KMTC assets and those that remains property of provider.

SERVICE LEVEL AGREEMENT (SLA) AND SUPPORT

Performance Standards – Indicate your Performance based on the following indicators: o Mean Time to Respond (in Minutes)

o Mean Time to Repair (in hours)

o Latency –KMTC expects that in case of Latency, it will not exceed fifty-five (55) milliseconds. Commit or Clearly indicate if otherwise

o Packet Loss – KMTC will accept Packet Loss ratio not greater than 0.5%. Commit or clearly indicate if otherwise.

Service Availability –KMTC expects a guaranteed aggregate Service Availability of ninety-nine point nine five percent (99.95%). The ISP is expected to commit to this (in writing) or clearly indicate if otherwise.

SLA Credit Structure – KMTC will demand Monthly SLA credits for any performance below the set standards specifically on:

o Service availability

o Mean time to respond

o Mean time to repair, Commit and indicate the rates and terms of Credit Payment or clearly indicate if otherwise.

Public IP Addresses – KMTC expects the ISP to provide a FREE block of at least 20 usable public IP addresses. Commit or clearly indicate if otherwise.

Dedicated account management team with a **designated Account Manager**. Provide the contact details of the account manager and the support desk.

FORM OF TENDER

Date:

Tender No.

To:

[Name and address of procuring entity]

Gentlemen and/or Ladies:

Firm's Name _____

Name and title of signatory; _____

Confidentiality of information

All information contained in the tender is confidential. Likewise, all information included by vendors in their proposals will be treated with utmost confidentiality.

Completion and submission of proposal

It should be understood that KMTC is not liable for any costs incurred by you in the preparation of your response to this tender. The preparation of your proposal will be made without obligation by KMTC to acquire any of the items included in your proposal, or to select any vendor's proposal, or to discuss the reasons why your proposal is accepted or rejected. It should also be understood that, if the proposal is accepted, it will form part of the contract which will be negotiated subsequently. Furthermore, the successful vendor must undertake not to make any reference to KMTC in any literature, promotional material, brochures or sales presentations without the express written consent of KMTC.

PROPOSAL CONTENT

All proposal sections must be clearly marked. For your convenience we have included an electronic version in suitable formats to be used to record your responses.

Structure of Proposal

The proposal should have the following general structure:

Section	Supporting Appendix
Executive Summary	
Tender Forms: 1. Form of Tender 2. Confidential business questionnaire 3. Tender Security Form 4. Contract Form 5. Performance Security/dully filled declaration Form 6. Advance Payment 7. Sample letter of Notification Award	
Technical Proposal submission forms	Appendix 1
Company profile	Appendix 2
Firms References / Implementation Team Experience	Appendix 3
General Technical Specifications	Appendix 4
Financial proposal	Appendix 5
Other items of significance (e.g. sample software agreement)	

The following subsection will provide further guidance on the proposal.

Executive Summary

Details the Executive Summary and should contain summary cost and other information together with the perceived strengths of your proposal, and the reasons for proposing the configuration specified.

Technical Proposal submission form

Appendix 1 is the covering letter that details your understanding of the tender requirements and dates thereof.

Company Profile

Companies are required to complete Appendix 2 for themselves, and on any other vendors included in the proposal, whether supplying application software, training or support or hardware.

Firms References / Implementation Team Experience references

Bidders are requested to complete Appendix 3 and to provide, ideally, five reference sites which can be contacted or visited for a further demonstration of the systems and equipment proposed. These should preferably be companies similar in size and scope to Kenya Medical Training College and implementation completed. This also details the experience and the CVs for implementation team proposed for the project

Financial Proposal - Detailed breakdown of costs

Bidders shall be required to provide a detailed breakdown of costs of the proposed hardware and software. The breakdown of cost should be transferred to the form tender in format provided. Payment shall be made after the performance of the contract which shall include Supply, Installation and Commissioning of a consolidated internet virtual private network/IP MPLS Connectivity Information System

General Technical Specifications

This describes the general minimum technical requirement for the respective software systems.

Installation and implementation details. The proposal submitted should contain a list of what the supplier regards are the main milestone activities in the project, from agreement of the contract to full handover to Kenya Medical Training College. The responsibility for each activity should also be stated by the supplier. Information will be required particularly regarding:

1. the proposed delivery dates and installation timetable for the project;
2. any systems integration the supplier expects to have to carry out and the cost, if any,
3. user training timetables and synopsis of the training programs believed necessary;
4. Recommendations for the appointment of Kenya Medical Training College personnel to the project team for.
5. system testing:

when this will take place;

where this will take place;

responsibility for checking results;

system sign-off procedures for project;

Proposed method and timing for data conversion or loading, and the assistance the vendor can provide.

Contractual terms

Contracts

The vendor should insert in this section copies of their relevant standard contracts for:

1. Supply/delivery of the project;
2. Maintenance/support of project & any software;

Bidders should note that the final contract will make reference to the tender, the supplier's proposal and any subsequent correspondence between the vendor and Kenya Medical Training College.

The bidder should also indicate:

1. whether any areas of the contract are not open to negotiation;
2. extras such as training, etc., which are not included in the quoted price;
3. price limitation provisions;
4. guarantee for no price increase above a certain percentage;
5. Right for KMTC to withdraw from contract if the rate of increase exceeds a certain percentage. Protection for KMTC against:

1. Projects not delivered on time and budget
2. systems not performing as specified;
3. persistent breaking of stated conditions such as persistent failure to provide contracted service levels;
4. quality of service;
5. cost changes;
6. Time delays.

Proposal Binding

It will be assumed that all representations made in your proposal will be binding and that your organization has agreed to all requirements of the tender, unless specifically stated otherwise. Amendments or clarifications

Reservation of Rights

This is a tender request and is in no way to be construed as a commitment to purchase services on the part of KMTC. Even though your proposal may be rejected, KMTC reserves the right to use any of the concepts or ideas contained therein without incurring any liability. KMTC the absolute right to withdraw this tender, by written notice or to reject any or all proposals submitted in response to this tender. KMTC further reserves the right to accept proposals from one or more prospective suppliers. KMTC shall not incur any liability whatsoever by reason of such withdrawal, rejection or acceptance

Proposal is not proprietary

All information furnished by any provider to KMTC under this tender, or in contemplation of a contract, shall be considered by KMTC to be the provider's property. All providers acknowledge that the information provided in response to this tender will not be returned, unless requested by the provider and at the provider's expense. Unless the information was previously known to KMTC free of obligation to keep it confidential, or has been or is subsequently made public by provider or an authorized third party, it shall be kept confidential by KMTC Such information shall be kept confidential by KMTC in evaluation of provider's proposal, and will not be used for any other purposes except upon such terms as may be agreed upon between the provider and KMTC and in writing.

Payment terms

The payment terms agreed will be those acceptable to KMTC and the vendor. The terms will be tied in to acceptance tests, which will be on the individual elements of the project, as well as the complete project

Timetable

Whilst the bidder and KMTC will agree a detailed timetable for the implementation prior to the signing of a contract, the supplier should nevertheless provide a broad implementation plan with the tender laying out:

1. Key milestones;
2. Overall project durations (in months);
3. Key task dependencies;
4. Key constraints.

The bidder should give assurances as to their adherence to this timetable, including definition of roles and responsibilities, where appropriate.

Bespoke work

Should it be necessary for bespoke software to be written, confirmation from the supplier is required that ownership of the bespoke software will rest with Kenya Medical Training College.

Selection process

The process for review of the tender responses will include the objective evaluation of responses to:

(1) The questions, (2) the business requirements, and (3) the proposed fees. The ability to meet KMTC requirements as set forth in this tender, as well as the ability and experience to support KMTC' long-term vision will also be assessed. If KMTC decides to purchase some or all of the services outlined in this tender, it is anticipated that finalists will be selected for final presentations. After all presentations and any required follow-up meetings are completed, the team intends to make a final supplier recommendation. Project planning with the successful supplier is expected to begin immediately after the selection is finalized and formalized.

Account Management Services

Kenya Medical Training College expects the successful supplier to designate an overall Account (or Relationship) Manager to the project, who will be available as needed, throughout the project. The account Manager will be working with ICT and the other departments under the co-ordination of KMTC representative assigned to the project. This individual needs to be able to communicate with these departments in an efficient and effective manner. Please include the biography of your proposed Account Manager with your response. Kenya Medical Training College reserves the right to interview and approve the supplier Account (or Relationship) Manager and Project Manager. The supplier team will be expected to have resources available for day-to-day contact for consulting support.

Other items of significance

Supplier should provide details of any significant matters which are not covered above.

2.15. Tender Submission Instructions

Tenderers are requested to observe the following Tender Submission requirements:

1. Technical proposal content to include the following among other information,

a. Appendixes' I,2,3, and 4
