ADDENDUM

RE: TENDER NO. KMTTC/21/2022-2023 TO TENDER NO. KMTTC 25/2022-2023.

The Bidders interested in participating on the above Tender are notified to note the following detailed clarifications. *(Please disregard the one that appeared on 26th May 2023).*

ITEM	DESCRIPTION	RESPONSE
1	Registration with ICT Authority ICT 1	The value of those projects is much lower than ICTA 1 and even ICTA 7 qualifies. Please note all categories accredited by ICTA are recognized making all Bidders eligible for participation.
2	Registration with ICT Authority ICT category 2 (ICTA1: ICT Information Security)	The nature of those projects does not warrant the requirements for ICTA information security because the projects do not involve information security. Please ignore the earlier statement.
3	On presuing the tender documents, it proposes specific models in specific campuses e.g. Cisco Are we allowed to tender for other models or this is predetermined	The Tender documents have clearly indicated Cisco. Interested Bidders are advised to quote for Cisco or equivalent model.
