TENDER ADDENDUM

RE: AMENDMENT OF TENDERS FOR PROVISION OF COMPREHENSIVE STAFF MEDICAL INSURANCE AND GENERAL INSURANCE BROKERAGE SERVICES COVERS FOR THE FINANCIAL YEARS 2023/2024 TO 2024/2025 AND SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF LOCAL AREA NETWORK (LAN) AT THE SPECIFIED KMTc CAMPUSES

Kenya Medical Training College (KMTc) advertised the above mentioned tenders on 16th May 2023. They are envisaged to close on Tuesday 30th May 2023.

Regarding procurement of insurance services, Public Procurement Regulatory Authority (PPRA) has just released a circular Ref No. PPRA/6/5 VOL.II (142) dated 18th May 2023 highlighting tender requirements that are said to be prohibitive to competition amongst interested bidders.

In relation to the subject matter, our tenders whose advert is up and running in both the print and electronic media included:

- i. Evidence of profit, annual gross premium.
- ii. Evidence of professional indemnity cover limit.
- iii. Evidence of paid-up capital limit

as components of evaluation criteria. By invoking section 75 of the Public Procurement and Assets Disposal Act, 2015 (the Act), I hereby advise you to absolutely disregard the requirements mentioned herein as they shall NOT be applicable in the tenders' evaluation exercise. These amendments and other clarifications on Local Area Network (LAN) are available and can be viewed in KMTc website (www.kmtc.ac.ke) or PPIP website (<http://tenders.go.ke>).

In view of the foregoing and in accordance with the provisions of Public Procurement Procedures, the closing date of the tenders is therefore extended for a further seven (7) days to close on 6th June 2023 at 10.00 a.m.

Please take note of the amendments and clarifications and act accordingly.
